**N**INE tripled and two are the Years  
Since *Loyalty* turn'd to a *Ghost*,  
And only in *Shadows* appears,  
The beautiful *Substance* is lost:  
But *Lack* and *Priest*, Against it protest;  
*Allegiance* they'll tell you is but a meer *Fest*;  
To swear to one King, and others in bring,  
Declare 'em Right *Honest Men*.

Their *Monarch*, in Eighty and Eight,  
Their *Sauciness* aim'd to correct:  
Then *Orange* was sent for in straight,  
Their *Knavery* for to protect:  
*Religion* and *Laws*, Gave way to the *Cause*;  
*Short Cloak* was brought in, and the *Surplice* withdraws;  
The *Commons* convent, Their King away sent  
A *Begging*, like *Honest Men*.

*Deposing* the King came about,  
And *God's Elect* Put in his place;  
*Disposing* *Free-Will* turn'd him out;  
*Dominion* lay founded in *Grace*.  
*Teague-Papists* must *Home*, The *Dutch ones* were come;  
Those *Pious Dragoons*, to save the Kingdom;  
*James's Troops* were a *Crime*, But *these* in *Gods* time,  
Holy *Guards* of good *Honest Men*.

The Birth of the *Babe* did appear  
A *Cheat*, and *Imposture's* Brat;  
So *Nassau* was found the next *Heir*,  
Dispute not his *Title* to *That*.  
Both *Mary* and *Anne*, Wore the *Child's* *Diadem*,  
And *Right-Line* skip'd over to *Hanover* Name:  
*Reformation* thus preach'd, And new *Gospel* teach'd,  
Shews this *Clan* are Right *Honest Men*.

The *Elected Electors* now plac'd,  
With his numerous *Issue* and *Turks*,  
With a *Diava* of *Statesmen* tho' pac'd,  
And learn'd in *Rieb-sanctify'd-Works*;  
Who are fir'd with *Zeal*, *God's* *Laws* to *Repeal*,  
For the new *Musty Doctrin*, *Plumder* and *Sleat*:  
The *Athistical Pack*, Swear the *Oaths* you must take  
And be dam'd like such *Honest Men*.

To maintain this *Reforming*, at least  
An Hundred of Millions are spent:  
To keep out the *Pope*, and the *Beast*,  
Till *Bayolon's* *Smicket* be Rent,  
New *Taxes*, new *Oaths*. and new *Forms* they compose  
Of *Thanksgiving* *Pray'rs* that squeez'd thro' the *Nose*  
For this *Blessed Change*: Thro' the world yon range  
And not *Sapmle* such *Honest Men*.

But *Revoling* a point once about  
Must end where at first it begun,  
As *Wrong* did the *Rightful* turn out,  
So *Right* may turn *Rong*, out as plain  
Then to *Heaven* let's *Pray*, That his *Majesty* may  
Be *Restor'd* to his Kingdom the *Sceptre* to *sway*:  
With our *Pow'r* and *Might* Let's defend his *Just* *Right*.  
Here's a *Health* to such *Honest Men*.
